

Additional Resources

This document attempts to highlight the most important keyboard shortcuts for use with testing Web Accessibility.

Portions of this document were adopted from WebAIM's Keyboard Shortcuts for JAWS, and NDVA and from Deque University's Screen Reader Keyboard Shortcuts

Official JAWS Keystroke list

NVDA User Guide

NVDA Keyboard Helper by Stamford Interactive

Important Notice

All keystrokes and key combinations can be modified in the configuration of the Screen Readers. JAWS uses Insert as it's default key. NVDA uses the concept of the NVDA key, which is Insert by default but can be changed to CapsLock during start up.
